SOLO DANCE AWARDS

This April, we've launched our new Solo Dance Awards!

In many countries worldwide, 'Solo Dance' has long been a celebrated art form, deeply rooted in prestigious competitions and championships.

This presents an exciting opportunity to unleash your creativity within your own school, provided you adhere to the correct technique of the genre, if you haven't already done so.

Recognizing the growing interest in solo dance• as an additional opportunity for our members, we proudly introduced the Solo Dance Awards in Ballroom, Latin, Classical, and Modern Sequence.

Join us as we embrace this exciting evolution in the dance world, offering a platform for dancers to showcase their individuality and skill like never before.
